li,

A single line of handwritten musical notation on a five-line staff. The notation includes various note values, some with stems and flags, and rests. The ink is dark and the paper shows signs of age.

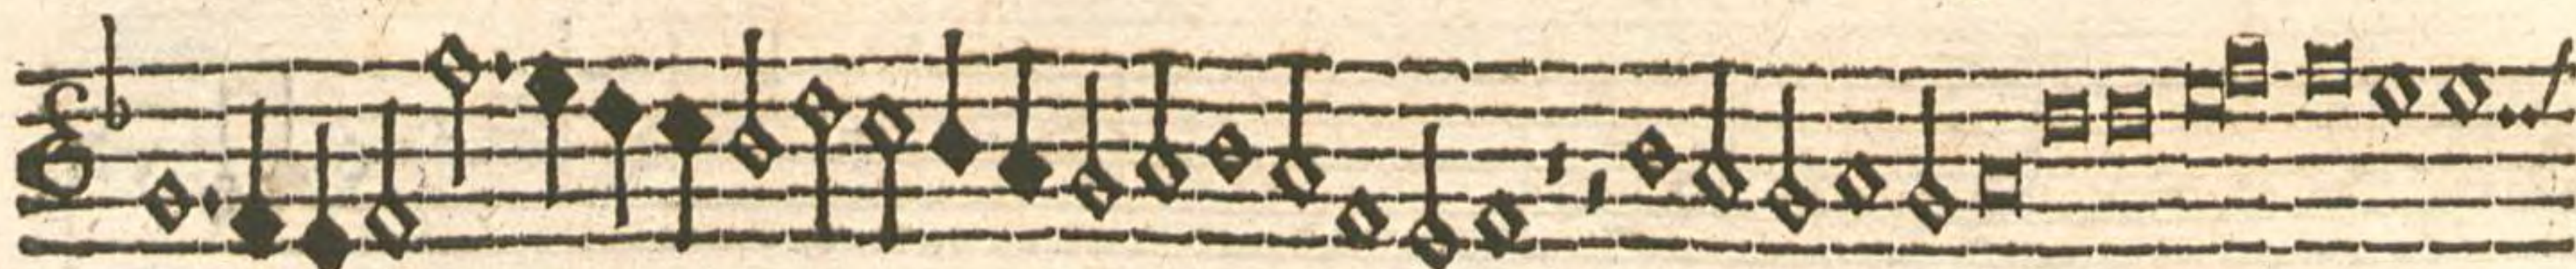

Handwritten text on a lined page, likely a ledger or notebook. The text is written in a cursive script and is mostly illegible due to blurring and fading. It appears to be organized into columns, possibly representing dates, descriptions, and monetary values.

ACRA SCRIPTVRA IN MVLTIS LOCIS CLARE
testatur, Deo nullum gratius sacrificium á nobis miseris mortalibus præ-
stari posse, quam si illius diuinis oraculis credamus, & pro immensis eius
beneficijs in nos gratuito collatis, per CHRISTVM sedulo gratias aga-
mus, eum laudemus, ac Hymnis celebremus. Hic est cultus noui Testa-
menti Deo gratissimus. Quod nimirum recte intelligentes sancti Pa-
tres, multa conscripserunt Carmina de Deo Patre, & liberatore nostro IESV CHRI-
sto, simul ac de illuminatore cordium ac sensuum nostrorum, eorumque beneficiorum
quibus Ecclesiam infatigabiliter ornant, in quibus partim posteris Confessionem suæ
fidei testatam relinquere voluerunt, partim etiam exemplum proponere, & nos per hæc
ad similia studia excitare. Vocarunt autem ea carmina, propterea quod Encomia & lau-
des diuinæ potentiae, virtutis ac beneuolentiae eius, erga nos, continerent, hymnos, hoc
est, Dei laudes. Verum postquam Ecclesia intelligeret, eiusmodi Hymnos, tanquam para-
phrases & expositiones Articulorum nostræ Catholicae fidei esse, præclare iudicauit &
statuit eos in Templis cōseruandos esse, præsertim pueris ac rudi populo proponēdos,
vt in his iuxta rationem temporis exercitarentur. Et cum ferè omnes, præsertim anti-
quiores, Hymni, optimis generibus versuum conscripti sint, & præterea aliquid recon-
ditioris acuminis & spiritus in se habeant, non immerito illis hic honos habitus est. Ad-

derunt præterea singulis, singulas melodias, non tam verbis ac temporibus conuenientes, quæ etiam suaves ac iucundas in Contrapuncto, quas certe multos adhuc admirari comperimus, Similes aut meliores hodie vix audimus. Quæ fuit etiam ratio, quæ ante hæc secula, & nostris etiam temporibus, Musici, hos numeros, non surda aure præterire dimittentes, & quæ in alijs Ecclesiasticis cantilenis compositione exornandis, factitauerant, suas vires etiam in his componendis experirentur. Quod quidem haud infeliciter conati sunt multi, & perfecerunt quoque cum magna laude, præsertim illi præclari Musici, quorum artem potissimum in hunc PRIMVM LIBRVM HYMNORUM conferre & colligere nobis visum est. Vt autem hanc prorsus diuinam Musicam, vestræ humanitati dedicarem, & sub vestro auspicio in lucem emitterem, his rationibus adductus sum, quæ Venerabilis dominus magister IOANNES MATHESEOS, diuinorum mysteriorum apud vos preco fidelissimus, & dominus mihi semper suspiciendus & colendus, huius laboris suscipiendi mihi author & hortator fuit vnicus, Tum etiam, quæ per quosdam ciues vestros in hoc non leuiter adiutus sum, qui mihi multorum Hymnorum copiam fecerunt. Ad postremum vero, quæ constet apud vos, & sacra & humana, in summo felicitatis gradu, propter quod merito Deo gratias agimus, consistere, & certo sciam, paucorum noticia, vos pietate & honestate, maxime delectari. Cum itaque præceptum à Paulo sit, vt prius Psalmis & Hymnis & canticis spiritualibus in gratia ac cordibus canentes celebrent Dominum, spero hoc meum studium in imprimendis Hymnis, bonis ac pijs viris prohatum iri, Neque dubito quin quaecumque fuerit hoc meæ erga vos beneuolentiæ exiguum testimonium, gratum & acceptum sit vobis futurum, & vos beneuolo animo suscepturos, Hisque me vobis commendatum esse peto. Lectori.

Abfoluimus hifce diebus iam præteritis Opt. lector, in officina noſtra typographica, Librum primum ſacrorum Hymnorum, in quem collegimus centum & triginta quatuor Hymnos, cum de tempore, tum de Sanctis, qui non tantum ſuauiſſime ac dulcedine, verum etiam arte ac breuitate, nec non facilitate, inſignes ſunt. Cum vero ſupremam iam manum huic operi imponeremus (quod omnibus modis tibi ſignificandum duximus) venit in mentem, quam maligna hoc peruerſo noſtro ſeculo, multorum ſint iudicia, qui, cum SANCTA ECCLESIA NOSTRA VVITTEMBERGENSIS, inuocationes Sanctorum, atq; alios Idolatricos cultus damnet, vbi videant Hymnos de quibusdam Sanctis non conuenientes Analogiæ fidei, huic noſtro operi inſertos, ſtatim fortaliſſis vociferabuntur, nos veteres impietates reſtaurare aut adprobare velle. Teſtamur igitur hoc noſtro ſcripto, nos cum omnibus pijs execrari omnia dogmata, quæ à Prophetiſis ac Apoſtolicis ſcriptis diſſentiunt. Si qui igitur in hoc opere ſunt Hymni de Sanctis, ab harmonia ſacræ ſcripturæ diſſonantes, eos meminerit Lector, ſuaſis concentibus & iuuentutis in cantu (Idolatricos enim, vt vocant, textus, nihil moramur, & pro damnatis habemus) exercendæ cauſa additos. Pius & bonus facile erit iudicium, quibus ſpero hoc meum ſtudium gratum fore, Omnia enim munda mundis, inquit Apoſtolus, Coinquinatis autem & infidelibus, nihil eſt mundum, ſed inquinata ſunt eorum & mentes & conſcientia. Tu igitur, mi lector, noſtro labore foeliciter frui, ac Bene vale.

CORRECTVRA Libri Hymnorum.

Vt vero studiosis Musices hic Liber Hymnorum, ab omnibus mendis purgatus exhiberetur, decantandis q̃ diligentissime ab initio vsq; ad finem singulis Hymnis, pausas quasdam omissas, huic chartæ imprimi curauimus, vt quilibet suum exemplar corrigere queat.
